- ✓ Enter the **school code for NVCC: 006982** on your application.
- ✓ Check your application status by logging onto myCommNet at my.commnet.edu. You can check if there is missing documentation, or view your award package, if eligible.
- ✓ If selected, you'll receive an email from the Verification Gateway. Log in at the URL provided in the email, and get started with Inceptia. If you get stuck, call – Verification Gateway Customer Service at 888-374-VGCS (8427).

For more information go to nv.edu/FinancialAid.

Basic Eligibility Criteria

- Be a citizen or eligible non-citizen of the United States.
- Be enrolled (matriculated) in a degree or qualified certificate program.
- Have registered with Selective Service between the ages of 18–26, if you are a male.
- Be sure to apply early and submit your application by the priority deadline of June 1, 2020. Applications submitted after the priority deadline will be accepted, however financial aid is awarded on a first-come, first-serve basis. You must allow four weeks from the completion of your application for an eligibility determination by the Financial Aid Office.
- Non-credit Lifelong Learning courses do not qualify for federal financial aid.

For New Students

Apply now for financial aid. You can start the financial aid process beginning October 1, before you even apply to the College. It's never too early to apply. Financial aid eligibility will be determined upon acceptance to NVCC.

For Continuing Students

- Be in good academic standing and maintain satisfactory progress according to federal regulations and the Connecticut Community College's Satisfactory Program Policy. This requires students to complete 67% of the classes attempted and maintain a 2.00 GPA. The policy is available at nv.edu/SAP.
- Students may not receive financial aid for any attempted credits that exceed 150% of their published program. For example, for a 60-credit degree program, students become ineligible when they have attempted 90 credits.

Important Information About Financial Aid:

- Students who withdraw from classes must be aware that their financial aid may be affected. **Please consult with the Financial Aid Office before withdrawing.**
- Financial aid does not cover non-credit courses.
- Students do not have to be full-time in order to receive aid.

Book Purchases

- Book vouchers are available January 2 - February 19, 2020.
- Students who are financial aid recipients may be eligible to receive a book voucher. Eligibility is based on the amount of financial aid awarded. Students awarded a book voucher may use it for the purchase of books at the George D. Yonan Memorial Bookstore. See page 9 for store hours.

Accepting your Financial Aid

After submitting your application, you can track your financial aid status and award information online by using the myCommNet Student Information System at my.commnet.edu.

To apply for an FSA ID go to www.fafsa.gov and click login. (If you are a dependent student your parent must also apply for an FSA ID.)

The College uses the Accuplacer® computerized adaptive placement test to assess academic skills in mathematics, English and reading. The primary function of the Accuplacer® placement test is to assist with determining the appropriate level of coursework for entering students. You cannot pass or fail, but it's important to complete the test using your best effort, so you and your advisor have an accurate measure of your academic skills.

Schedule your Placement Test.

For Waterbury and Danbury Campuses:

After you receive your acknowledgement letter from the Admissions Office with your Student ID number, go to nv.edu/accuplacer to schedule your placement test. You will receive an email confirmation.

It's important that your Accuplacer® scores accurately represent your skills and knowledge. Accuplacer® offers tools and resources to help you prepare for the tests. Go to nv.edu/accuplacer.

- ✓ Arrive at the Testing Center at least 10 minutes prior to your appointment.
- ✓ Late arrivals will not be allowed into the Testing Center.
- ✓ Test is untimed and takes about 2 hours, so plan accordingly.

- plan to register for a course with an English or math prerequisite.

Pay Tuition and Fees

A payment is required at the time of registration. Registrations without payment or acceptable arrangements are subject to cancellation. Students are responsible for the applicable charges should they fail to formally drop the class(es) from their schedule or withdraw from the College. Students are responsible for the status of their accounts with the College. Such accounts can be viewed online at any time.

Payment of Tuition and Fees

- Before January 2, 2020 payment of student activity and college service fees is due at the time of registration.
- Beginning January 2, 2020 the entire amount is due at the time of registration. At this time students must pay in full or have an acceptable payment alternative in place.
- As a reminder, classes begin on January 22. Payment of fees is due within 24 hours of registration. Tuition is due on January 2, 2020. Acceptable arrangements in lieu of full payment must be student-initiated. These are:
 - a fully-authorized financial aid award.
 - an individual payment for the payment plan.
 - a letter from a third party provider for an unconditional guarantee of payment.
 - an applicable Tuition/Fee Waiver Form.

Your registration is confirmation of your acceptance of all applicable charges as a result of your registration. It is expected that you will be attending the College.

While unpaid registration will be subject to cancellation, it is ultimately your responsibility to remove yourself from the registered courses should you decide not to attend the College. Failure to remove yourself from registered courses does not release you from incurred financial obligations and may negatively impact your academic progress.

This may only be done online at nv.edu and signing into your myCommnet account (registration and payment tab) or in person at the Registrar's Office (Waterbury Campus) or Administrative Office (Danbury Campus). Note: All fees are non-refundable. Refund of tuition policy may be found at nv.edu/refund. Email requests to remove yourself from registered courses will not be processed. The refund policy for non-credit program offerings may be found at nv.edu/nc or by calling 203-575-8029.

- NVCC is offering payment plans earlier than ever before, giving students more time to plan and pay for college costs. Payments may be made at the Bursar's Office in Room K508, during regular office hours. Cash, check, Visa, MasterCard, American Express and Discover are accepted forms of payment. Students may also pay online at my.commnet.edu, with Visa, MasterCard, American Express, Discover or electronic checks.
- A \$25 returned check fee will be charged for any check not honored by the bank.
- Books and supplies are additional costs that must be paid for at the time of purchase.
- Bursar's Office can be reached at 203-575-8055 or 203-575-8164.

Installment Payment Plan - In person or online

An installment payment plan is available to students enrolling for three credits or more. This plan allows students to defer the payment of tuition beyond the normal due dates, for a fee of \$25 each semester. To enroll in person, visit the Bursar's Office, Room K508, in Kinney Hall.

Online Installment Payment Plan

Payment plans will be available online approximately October 22, 2019. Log in to my.commnet.edu and follow the instructions.

Refund Policy for Spring Semester Courses

Before registering for classes, students should read the refund policy established by the Board of Regents for Higher Education at nv.edu/refund.

- When registering for courses, students pay a non-refundable deposit equal to the total fees for their courses.
- Students must notify the Office of the Registrar (in person/ email/fax) in order to request a tuition refund. A full refund (100%) of tuition and usage fees only will be granted if notice is made to the Office of the Registrar of reduced course load through Tuesday, January 21, 2020 (online/email/fax). For notice of reduced course load received Wednesday, January 22 through Tuesday, February 4, 2020, a 50% refund of tuition and usage fees only will be granted. In either case, College services, student activity and clinical program fees are neither refundable nor reducible unless the changes are due to course cancellations. No refund will be granted for notices of withdrawal or reduced course load received after Tuesday, February 4, 2020. Refund checks will be sent from the board office directly to the student. Policy assumes the student is paid in full at the time of withdrawal.

Refund Policy for Late Start Courses

If the College cancels a course, students receive a full refund of all tuition and service fees. A student who drops a late start course on or before Tuesday, February 4, 2020 will receive a full refund of tuition and usage fees only. If the student officially withdraws on the day the Late Start courses are scheduled to begin or after, there is no refund and the student will receive a "W" on his/her transcript.

Tuition and fees are subject to change by the Board of Regents for Higher Education.

These costs, along with the application fee, are completely waived for Connecticut residents at least 62 years of age on a space-available basis. Students are responsible for supplemental and material fees that are associated with specific courses. See page 9. You must fill out the College Application if you have never been a credit student at NVCC. See page 3. Non-credit courses are not eligible for senior citizen waiver.

Distance Learning Courses

Distance learning courses are fully or partially (hybrid) online courses designed for highly motivated students who are looking to add flexibility to their busy schedules. Basic computer literacy and high-speed access to the Internet are required. Our courses follow the standard academic calendar of the College (unless otherwise indicated), are generally not self-paced and may include face-to-face class meetings. NVCC online math courses require campus meetings for exams. For more information, please contact the Department of Mathematics at 203-575-8063.

Hybrid Courses

Hybrid sections are defined as courses whose contact hours are split between online and on-ground (in a classroom). The first session for these classes will meet on campus. Sections with a "C" in the title indicate that the on-ground portion utilizes computer technology.

Before You Start

Students who are interested in or have enrolled in their first distance learning courses are strongly advised to visit the Connecticut Community College Student Support site at <https://cscu.edusupportcenter.com> to get information about online learning. This site includes instructions for logging on to your course(s) on Blackboard Learn (our learning management system), technical requirements needed for your computer and other important information and resources.

Reactivate

Students who have applied within the past two years, but never attended classes at NVCC, do not need to complete a new application for admission. Just stop by Room K500 and we can reactivate your old application file. If you applied more than two years ago, you must complete a new application and resubmit all admissions documents. See page 3.

Transfer Students

If you have attended another college or university and have not previously attended NVCC, please follow the procedures for new students. Transfer students are encouraged to attend a New Student Registration session and may register online if in good academic standing. If you are interested in receiving transfer credit for course work completed at another institution, submit official college transcripts to the Admissions Office. See page 6 or visit the "Admissions links" section of our website at nv.edu/acceptedstudents.

Readmitted Students

Credit students who have not attended NVCC since the spring of 2018 will need readmission to the College prior to registration. Readmit students are subject to the curriculum requirements in existence at the time of readmission. A readmission form must be submitted to the Office of the Registrar prior to, or at the time of registration. Download this form at nv.edu/register and scroll to "Helpful Forms and Documents," or visit the Office of the Registrar located in Room K516. Students who have not been in attendance for more than five years must resubmit proof of high school graduation to maintain degree-seeking status. Readmit students must see an academic advisor in order to register. See page 6.

Looking for a rewarding career with in-demand employment opportunities?

Check out NVCC's Cybersecurity Associate Degree program!

The program prepares students to obtain entry-level positions in the field of cybersecurity and computer crime deterrence. It also supports their successful transfer to other institutions of higher education. In this program students learn essential skills required to gain and maintain employment at entry level positions as computer crime investigators, computer security specialists, and federal law enforcement officers.

Curriculum

This program combines elements of both NVCC's Criminal Justice and Computer Information Systems programs to offer students a strong grounding in understanding the investigative nature of cybersecurity in the criminal justice realm as well as gaining technical skills in computer science networking and programming. Many classes are mapped to support industry certification testing after course completion, including CompTIA Network+, Security+ and Project+.

- CT Department of Labor projects demand in computer science to increase by 17.4% between 2012 and 2022. Demand for information security analysts is projected to increase by 18.6% during that same time frame.
- Nationally, there are more than 209,000 unfilled cybersecurity jobs in the U.S. since 2011.
- Highest demand for cybersecurity workers is in finance, manufacturing, defense, health care and retail trade.
