

WATERBURY Connecticut Training Site

750 Chase Parkway, Waterbury, CT

Thank you for your interest in the Connecticut Rider Education Program (CONREP) at NVCC. Motorcycling is one of the most exciting forms of transportation around! Part of the thrill of motorcycling is the knowledge that you are totally responsible for every action taken, from timing each shift to keeping a keen eye out for other motorists. To understand these responsibilities and get the most from your experiences, a Rider Education Course is the place to start. CONREP is a statewide program directed by the Connecticut DOT.

We provide quality motorcycle training for new, intermediate, and experienced riders. The courses we offer include:

Basic Rider Course (BRC): designed to teach individuals with little or no riding experience what is involved in operating a motorcycle or scooter safely. The BRC begins with the development of the fundamental skills: straight-line riding, braking, turning, and shifting. It then expands on these basic skills into more advanced street riding techniques. This course consists of combined classroom and on-cycle instruction, with periodic breaks. Successful completion of this course fulfills the requirements of the State-approved Basic Rider Course for licensing. On-cycle testing is completed at NVCC as part of this course. The written and vision tests are taken at the DMV. Motorcycles or Scooters and helmets are provided. Participants must have a valid CT driver's license (a motorcycle learner's permit is not required to take this course). **Fee: \$240; COURSE FEES ARE NON-REFUNDABLE**

Intermediate Rider Course (IRC): designed for riders with some experience who are currently riding their own motorcycle/scooter. You must have a minimum of 600 street riding miles, or more than 6 months riding experience. Riders will improve skills in braking, cornering, evasive maneuvers, and learn 'street strategies' necessary for survival. The course consists of combined classroom and on-cycle instruction, with periodic breaks. Successful completion of this course fulfills the requirements of the State-approved Intermediate Rider Course for licensing. Participants must have a valid Connecticut motorcycle permit and use their own street legal (no straight pipes) motorcycle or scooter that is registered and insured in the participant's name. You must ride to class, no hauling bikes/scooters to class on a trailer or truck is permitted (No Exceptions). Bikes will be inspected. You must provide proof of your current motorcycle permit, registration, and insurance card. **Fee: \$150; COURSE FEES ARE NON-REFUNDABLE**

Experienced Rider Course (ERC): Even if you've been riding for some time, there's always something new to learn in this on-cycle course. Using your own registered, insured, street legal motorcycle/scooter (bike will be inspected) for the ERC, you will have the opportunity to fine tune your riding skills during advanced maneuvers such as stopping in the shortest distance, cornering, swerving, tight turns, and other evasive skills. Riders must provide proof of a valid motorcycle license, current registration and insurance card in the participant's name. You must have a minimum of 1000 miles, or more than 10 months riding experience. Passengers may participate in the course also.

Fee: Rider: \$120 / Passengers: \$40; COURSE FEES ARE NON-REFUNDABLE

I also understand that this participation involves a risk of injury and even death and that I am voluntarily participating in these activities and using equipment and/or machinery with knowledge of the dangers involved. Examples of the inherent risks involved are: I may forget how to brake or otherwise slow or stop the bike when I need to; I may accelerate without intending to; the bike may fall on me or otherwise strike me; another participant or his/her bike may hit me; I may panic and not do what I was instructed to do. It is further acknowledged that there may be risks and dangers not known to us or that are not reasonably foreseeable at this time. **Participant's initials:** _____

2. Personal Responsibility

I am voluntarily participating in the motorcycle rider education course. I agree to use due care and common sense when participating in this course and performing these activities, including not participating while under any impairment which would interfere with my physical or mental abilities. I agree to let the instructor/person in charge know if I see or feel that something is dangerous or that I am not able to safely do something. While an instructor may encourage me to attempt an activity, I understand that I am best able to judge whether I can do it safely. I should refuse to do an activity if I feel I cannot do it safely, even if it means that I cannot complete the course and will not receive reimbursement of the registration fee. The program strongly suggests that I obtain my own private insurance to cover any injuries I may sustain. **Participant's initials:** _____

3. Release of Liability

In addition to the risks and dangers of injury inherent to this activity, there is also a risk and danger that may be caused by the negligence of others, including that of the releasees. I waive any and all liability for and cause of action for personal injury, property damage or wrongful death arising from my participation in this activity, including for claims of negligence, including the negligence, if any, of releasees. "Releasees" include the State of Connecticut, the Department of Transportation, the Motorcycle Safety Foundation, the host college, the course instructor, and all of these entities' officers, agents, employees, representatives, executors or their successors. I hereby release and agree that I will not sue the releasees for any and all damage or injury to me or to my property. **Participant's initials:** _____

I understand and assume the risks arising from participation in the motorcycle rider education course and understand that included within the scope of this waiver and release is any cause of action arising from the performance, or failure to perform maintenance, inspection, supervision or control of said areas/activities and for the failure to warn of dangerous conditions existing at said facilities, for negligent selection or hiring of anyone connected with the activity, or negligent supervision or instruction by releasees. **Participant's initials:** _____
