

# 2022-23 Appeal for Special Circumstances

## CSCU Community Colleges

Your eligibility for financial aid was initially calculated based on the 2020 income information you provided on the 2022-23 FAFSA. However, we understand that your individual family circumstances may have significantly changed after we have received your financial aid application. Therefore, the financial aid office, on a case by case basis, will review your special circumstances appeal as a means to reassess your eligibility for need-based financial aid. Submission of this appeal does not guarantee an increase to your financial aid package.

In order to be eligible to complete this form, your 2022-23 FAFSA must be on file at our college. Please review your Self-Service Banner account at [my.commnet.edu](http://my.commnet.edu) to confirm we have your FAFSA on file.
