Apply for Financial Aid

Summer Semester:

If you are Pell-eligible during the fall and spring semesters, please check with the Financial Aid Office regarding summer Pell eligibility. Summer sessions do not operate in the same manner as fall and spring semesters. Failure to complete all summer courses may result in the loss of a Pell grant. If you are repeating a course, please check with the Financial Aid Office to determine if the course will be covered by the Pell grant. Students are responsible for all charges incurred regardless of aid eligibility.

Fall and Spring Semesters:

Don't miss out on financial aid opportunities for fall and spring semesters. Follow the steps below and apply early.

- Check your application status by logging onto myCommNet at my.commnnet.edu. You can check if there is missing documentation, or view your award package, if eligible.
- If selected, you'll receive an email from the Verification Gateway. Log in at the URL provided in the email, and get started with Inceptia. If you get stuck, call – Verification Gateway Customer Service at 888-374-VGCS (8427).

For Continuing Students

- Be in good academic standing and maintain satisfactory progress according to federal regulations and the Connecticut Community College's Satisfactory Program Policy. - Students may not receive financial aid for any attempted credits that exceed 150% of their published program. For example, for a 60-credit degree program, students become ineligible when they have attempted 90 credits.

Important Information About Financial Aid:

- Students who withdraw from classes must be aware that their financial aid may be affected. **Please consult with the Financial Aid Office before withdrawing.**
- Financial aid does not cover non-credit courses.
- Students do not have to be full-time in order to receive aid. Please check with the Financial Aid Office first to see if you qualify.

Book Purchases

Students who are financial aid recipients may be eligible to receive a book voucher during fall and spring semesters. **Vouchers are not valid during summer and winter sessions.** Eligibility is based on the amount of financial aid awarded. Students awarded a book voucher may use it for the purchase of books at the George D. Yonan Memorial Bookstore. See page 9 for store hours.

Payment of Tuition and Fees

A payment is required at the time of registration. Registrations without payment or acceptable arrangements are subject to cancellation. Students are responsible for the applicable charges should they fail to formally drop the class(es) from their schedule or withdraw from the College. Students are responsible for the status of their accounts with the College. Such accounts can be viewed online at any time.

Payment of Tuition and Fees - Key Dates

Full payment is due at the time of registration or a payment plan needs to be in place. Payment plans are available on-line or in person at the Bursars Office, beginning April 6, 2021. Classes begin on June 7, 2021.

Important Information

The Bursar's Office can be reached at (203) 575-8055 or (203) 575-8164.

It is the student's responsibility to remove themselves from registered courses if they do not intend to attend the course(s). Failure to do so does not release the student from the financial obligations and may negatively impact your academic progress. NVCC reserves the right to cancel unpaid registration, but the student should not assume this will occur.

Making changes to course registrations is easily done either:

- online by going to nv.edu. Log in to your myCommnet account, click on "Banner Student & Faculty Self-Service," and then click "Registration/Schedule."
- in person at the Waterbury campus: Registrar's Office, K516 or at the Danbury campus: Administration Office.

Note: Email requests to remove yourself from registered courses will not be processed.

Acceptable arrangements in lieu of full payment must be student-initiated. These include:

- A fully-authorized financial aid award
- The first payment on a payment plan (see more on payment plan below)
- A letter from a third-party provider for an unconditional guarantee of payment
- An applicable Tuition/Fee Waiver Form

Books and supplies are additional costs that must be paid for at the time of purchase.

The refund of tuition policy can be found at nv.edu/refund. For refunds for non-credit program offerings, go to nv.edu/nc or call (203) 575-8029.

Installment Payment Plan - In person or online

NVCC offers payment plans to students enrolling in three credits or more. Students can defer the payment of tuition beyond normal dates, for a fee of \$25 each semester. Readmitted Students

Credit students who have not attended NVCC since the Fall of 2019 will need readmission to the College prior to registration. Readmit students are subject to the curriculum requirements in existence at the time of readmission. A readmission form must be submitted to the Registrar prior to, or at the time of registration. Download this form at nv.edu/register and scroll to "Helpful Forms and Documents," or visit the Registrar located in Room K516. Students who have not been in attendance for more than five years must resubmit proof of high school graduation to maintain degree-seeking status. Readmit students must see an academic advisor in order to register. See Page 5.

Distance Learning Courses

Distance learning courses are fully or partially (hybrid) online courses designed for highly motivated students who are looking to add flexibility to their busy schedules. Basic computer literacy and high-speed access to the Internet are required. Our courses follow the standard academic calendar of the College (unless otherwise indicated), are generally not self-paced and may include face-to-face class meetings. NVCC online math courses require campus meetings for exams. For more information, please contact the Department of Mathematics at 203-575-8063.

Hybrid Courses

Hybrid sections are defined as courses whose contact hours are split between online and on-ground (in a classroom). The first session for these classes will meet on campus. Sections with a "C" in the title indicate that the on-ground portion utilizes computer technology.

Before You Start

Students who are interested in or have enrolled in their first distance learning courses are strongly advised to visit the Connecticut Community College Student Support site at <https://cscu.edusupportcenter.com> to get information about online learning. This site includes instructions for logging on to your course(s) on Blackboard Learn (our learning management system), technical requirements needed for your computer and other important information and resources.

Disability Services

Students who may require academic accommodations on the basis of a disability are encouraged to contact Terry Latella, the Counselor for Students with Disabilities, located in Kinney Hall, K519B (203-596-8608). After submitting documentation validating a disability, students will be required to schedule an appointment to complete the disabilities disclosure process. Services are available at both campuses.

Reactivate

Students who have applied, and have never attended classes, will have to apply again for the intended semester at nv.edu/apply. If you attended classes more than two years ago, you must complete a readmit application at nv.edu/apply.

Transfer Students

If you have attended another college or university and have not previously attended NVCC, please follow the procedures for new students. Transfer students are encouraged to attend a New Student Registration session and may register online if in good academic standing. If you are interested in receiving transfer credit for course work completed at another institution, submit official college transcripts to the Admissions Office. See Page 5 or visit the "Admissions links" section of our website at nv.edu/acceptedstudents.
