when you complete your first 2 years at NVCC &
transfer to a 4-year institution to finish your bachelor's degree.

See what our grads are saying about NVCC:

“After two years of diligent work at NVCC, I was accepted to Johns Hopkins University with a full scholarship. Now, I am about to graduate to my dream job. Take the long view, and appreciate what powerful options you can create when you have a solid foundation and are not burdened by debt. The skills and foundation I built at NVCC let me achieve much more than I ever dreamed possible.”

– Jacob Dooling, NVCC & Johns Hopkins University

“As a first generation college student NVCC really gave me the support to navigate the admissions and financial aid process. My goal was to complete an associate degree and then transfer to Eastern CT State University. My advisor helped me with all my questions and made sure I had a smooth transfer process. I'm proud to say I will be attending Eastern in the fall and can't wait to be the first person in my family to earn a bachelor's degree!”

– Elida DeJesus, NVCC & Eastern Connecticut State University

“NVCC is home. Hands down, it's the best...and it's because of the people who work there and how much they care and how much time they're willing to spend with you after class or the advice they're going to give you.”

– Davey Peguero, NVCC & Western Connecticut State University
