

Academic Standards Committee Meeting Minutes for October 3, 2017 3pm

Attending: John L., Tammy, Kevin R., Kathy T., Terry L, Janet Z, Ed C.

Minutes from 5/2/17 were approved by Kathy T, seconded by Tammy

Old Business

- CEAC- Class size minimum - We have to come up with forms.
- Need to form a sub-committee- Janet, Ed and Kevin have agreed to be on it.
- Budget –is a “separate issue”
- Pete Angelastro spoke about changing advising.
- All our minutes are all on our new NVCC website

New Business:

- Next meeting we will have to select a new Committee Chair-must be a faculty member.
- Janet will speak to Dean Rios- Knauf about what issues we should be working on for the 17-18 academic year
- Minimum Grade for Transfer (Discussion: BOR policy is that NVCC is in violation the norm, which seems to be C-minus for other colleges in Connecticut except for Norwalk. However, a C-minus may not satisfy NVCC prerequisites so the paradox is that there would be a kind of credit counted twice when a transferable course has to be repeated to continue the next course here.
- Other ideas for the new academic year are some health and yoga and physical education classes only get credit once though they may be taken more than once.

Move to adjourn (Passed 3:45pm) by Janet seconded by Ed
