The Connecticut Community Colleges (“CCC”) and Central Connecticut State University (“CCSU”) hereby establish the enclosed articulation agreement between the Connecticut Community College Nursing Program (hereinafter referred to as “CT-CCNP”) and Central Connecticut State University’s Bachelor of Science in Nursing Program (hereinafter referred to as “CCSU RN/BSN”). CCC and CCSU hereby agree and covenant as follows:

WHEREAS, CCC and CCSU are both institutions of higher institution;

WHEREAS, CCC and CCSU wish to collaborate to facilitate the orderly transfer of certain nursing students enrolled at the CT-CCNP into the CCSU RN/BSN program;

WHEREAS, this Agreement will promote the transferability of CT-CCNP graduates interested in pursuing a Bachelor of Science in Nursing at CCSU.

NOW THEREFORE, the parties agree as follows:

1. General Provisions

a. This Agreement guarantees CCC students admission to the CCSU RN/BSN program upon successful completion of the associate degree from the CT-CCNP and licensure as a Registered Nurse. These students shall be “Eligible Students” under the terms of this Agreement.

b. Enrollment in the CCSU RN/BSN must occur within two years of completing the CT-CCNP degree.

c. Current CT-CCNP students are eligible under the Request for Reciprocity agreement to take no more than two courses at CCSU for free while enrolled as a full-time student carrying a minimum of 12 credits. This will be accepted provided that:

- i. The course is NOT offered at the student’s own institution,
- ii. That the admission will not deprive any qualified CCSU University student of an opportunity to take the course, and
- iii. That admission is recommended by the President or Registrar of the student’s home institution.

2. Transfer Credits

a. As recommended by the Connecticut Articulation Model for Nurse Educational Mobility, upon transfer of an Eligible Student, CCSU will grant transfer credit for a total of 35 major requirement

credits to the CCSU RN/BSN and will grant a minimum of 34 transfer credits for general education requirements in accordance with the attached table which is hereby incorporated into this Agreement. Remedial courses taken by Eligible Students shall not count toward CCSU's general education requirements.

b. Eligible Students must earn a C or better in all nursing courses to receive any transfer and/or advanced placement credit for nursing courses in the CCSU RN/BSN program.

3. Residency Requirement

Each Eligible Student must meet CCSU's 30-credit residency requirement.

4. Curriculum Modifications

Each party agrees to provide timely notice to the other in the event of any modification of its curriculum that might affect the compatibility of credits for transfer.

5. Term

This Agreement shall take effect on the date that it is fully executed. It shall remain in effect until either party gives notification of termination as provided below. The agreement shall take effect for students graduating from the CT-CCNP beginning in Spring 2010 .

6. Termination

Notwithstanding any other provision in this contract, either party, in its sole discretion, may terminate this contract at any time upon six months' prior written notice. In the event of termination, the parties agree that Eligible Students, who have already been accepted for transfer to the CCSU RN/BSN program, shall be granted transfer credits in accordance with the terms of this Agreement.

7. Amendment

Any amendment to this Agreement shall be made in writing by mutual agreement of the parties.
