

Respiratory Care Associate Degree Program Application

Application Deadline: January 16, 2017

Return completed application to NVCC Admissions Office by January 16, 2017.

Applications received before January 16, 2017 will be pre-screened in the order they are received. Late applications will be considered on a case-by-case basis dependent upon program vacancies. For questions related to the admissions process, please contact Lisa Calabrese at lcabrese@nv.edu or (203) 575-8151.

Name _____ Previous last name(s) _____

Address _____

City _____ State _____ Zip _____

CRT Applicants Only

NBRC Proof of Certification _____ QPA of Resp. Care Courses _____ Year of Graduation from Respiratory School _____

Naugatuck Valley Community College
Respiratory Care Associate Degree Program

PLEASE READ ENTIRE APPLICATION CAREFULLY BEFORE SIGNING

Application must be submitted by January 16, 2017

Admission to the Respiratory Care Program at NVCC is selective. You may qualify for this program by successfully completing the necessary prerequisites and other program admission requirements. The requirements listed are minimal admissions criteria and exceptions will only be considered on a case-by-case basis. Applicants who are not admitted to the Respiratory Care Program for 2017 and who wish to seek admission in subsequent years must reapply.

New or transfer students must submit an NVCC application and required documents to Admissions along with this program application. Applicants must provide the following as part of the College application process. Current or former NVCC students need only submit this program application:

- \$20 application fee (unless student has previously attended and paid the fee at another CT community college).
- Proof of completion of high school or GED unless applicant has earned a college degree, in which case the official college transcript with date of graduation can be substituted.
- Proof of immunity to Measles, Mumps, Rubella, and Varicella.
- Official transcripts of **all** previous college work, regardless of relevance to the Respiratory Care Program.

All qualified applicants will be invited to attend a mandatory program information session. In late February/early March, applicants will be contacted via their college assigned email address to schedule attendance at a session. The deadline to register for, and attendance at an information session is strictly enforced.

All communications regarding your Respiratory Care application status will be sent to your college assigned email address issued to you at the time of your acceptance to NVCC. Please be sure you are able to access this account and check it regularly. Instructions for accessing this account are included in your College acceptance email message sent to the email address provided on your NVCC College application.

I understand the instructions and information contained in this application. I confirm that the information I have provided is complete and accurate to the best of my knowledge.
