Apply for Financial Aid

Summer Semester:

If you are Pell-eligible during the fall and spring semesters, please check with the Financial Aid Office regarding summer Pell eligibility. Summer sessions do not operate in the same manner as fall and spring semesters. Failure to complete all summer courses may result in the loss of a Pell grant. If you are repeating a course, please check with the Financial Aid Office to determine if the course will be covered by the Pell grant. Students are responsible for all charges incurred.

Fall and Spring Semesters:

Don't miss out on financial aid opportunities for fall and spring semesters. Follow the steps below and apply early.

- Go to www.fafsa.gov and obtain an FSA ID.
- Enter the school code for NVCC: 006982 on your application.
- Check your application status by logging onto myCommNet at my.commnnet.edu. You can check if there is missing documentation, or view your award package, if eligible.
- If selected for verification, submit tax transcripts and any other required documents to the Financial Aid Office.
- On myCommNet, accept your award.

For more information go to nv.edu/financial.

Basic Eligibility Criteria

- Be a citizen or eligible non-citizen of the United States.
- Be enrolled (matriculated) in a degree or qualified certificate program.
- Have registered with Selective Service between the ages of 18–26, if you are a male.
- Submit your application no later than June 1, 2017. You must allow two weeks from the completion of your application for an eligibility determination by the Financial Aid Office.
- Non-credit Lifelong Learning courses do not qualify for federal financial aid.

For New Students

Apply now for financial aid. You can start the financial aid process before you even apply to the College. It's never too early to apply. Financial aid eligibility will be determined upon acceptance to NVCC.

To apply for an FSA ID go to www.fafsa.gov and click login. (If you are a dependent student your parent must also apply for an FSA ID.)

For Continuing Students

- Be in good academic standing and maintain satisfactory progress according to federal regulations and the Connecticut Community College's Satisfactory Program Policy. This requires that students must complete 66.6% of the classes attempted and maintain a 2.00 GPA. The policy is available at nv.edu/financial, click "Satisfactory Academic Progress" on the left side navigation.
- Students may not receive financial aid for any attempted credits that exceed 150% of their published program. For example, for a 60-credit degree program, students become ineligible when they have attempted 90 credits.

Important Information About Financial Aid:

- Students who withdraw from classes must be aware that their financial aid may be affected. Please consult with the Financial Aid Office before withdrawing.
- Financial aid does not cover non-credit courses.
- Students do not have to be full-time in order to receive aid.

Book Purchases

Students who are financial aid recipients may be eligible to receive a book voucher. Eligibility is based on the amount of financial aid awarded. Students awarded a book voucher may use it for the purchase of books at the George D. Yonan Memorial Bookstore. See page 9 for store hours.

Online Learning Courses

Online learning courses are fully or partially (hybrid) online courses designed for highly motivated students who are looking to add flexibility to their busy schedules. Basic computer literacy and high-speed access to the Internet are required. Our courses follow the standard academic calendar of the College (unless otherwise indicated), are generally not self-paced and may include face-to-face class meetings. NVCC online math courses require campus meetings for exams. For more information, please contact the Department of Mathematics at 203-575-8063.

Hybrid Courses

Hybrid sections are defined as courses whose contact hours are split between online and on campus. The first session for these classes will meet on campus. Sections with a "C" in the title indicate that the on campus portion utilizes computer technology.

Before You Start

Students who are interested in or have enrolled in their first online learning courses are strongly advised to visit the Connecticut Community College Student Support site at <https://websupport.ct.edu> to get information about online learning. This site includes instructions for logging on to your course(s) on Blackboard Learn (our learning management system), technical requirements needed for your computer and other important information and resources.

Reactivate

Students who have applied within the past two years, but never attended classes at NVCC, do not need to complete a new application for admission. Just stop by Room K500 and we can reactivate your old application file. If you applied more than two years ago, you must complete a new application and resubmit all admissions documents. See Page 3.

Transfer Students

If you have attended another college or university and have not previously attended NVCC, please follow the procedures for new students. Transfer students are encouraged to attend a START session and may register online if in good academic standing. See Page 6. If you are interested in receiving transfer credit for course work completed at another institution, submit official college transcripts to the Admissions Office.

Visit nv.edu/admissions/transfer-students.

Readmitted Students

Credit students who have not attended NVCC since the summer of 2015 will need readmission to the College prior to registration. Readmit students are subject to the curriculum requirements in existence at the time of readmission. A readmission form must be submitted to the Records Office prior to, or at the time of registration. This application can be found on the College website or in the Office of the Registrar located in Room K516. Students who have not been in attendance for more than five years must resubmit proof of high school graduation to maintain degree-seeking status. Readmit students must see an academic advisor in order to register. See Page 6.

Preview Look at Fall 2017 Semester!

4 Schedule an advising appointment.

New degree-seeking students must schedule and attend an advising session called START. Students must be accepted for the fall semester prior to attending a START session.

Summer students who did not select summer and fall on their college application must call the admissions office at 203-575-8080 to have their file reactivated for Fall 2017.

Transfer students and non-degree students are encouraged, but not required to attend a START advising session.

START sessions can be made at www.timecenter.com/nvcc. Have your student ID number and email address ready when you sign up.

5 Register for fall classes.

Be prepared:

March – Continuing students see your academic advisor.

April 4 – First day of fall semester online registration for continuing students.

April 18 – First day of fall semester registration for new and transfer students. START sessions include testing, advising, [registration](#) and tuition payments.

See page 6.

6 Pay tuition and fees. Check out IPLAN, our online installment plan!

Spread the cost of tuition and fees over the term by enrolling in a tuition payment plan using our online payment plan system. We offer monthly, bi-weekly, financial aid only and out-of-state payment plans.

- Enroll in a tuition payment plan easily over the web from myCommNet.
- View a list of charges, credits, and financial aid eligible for the plan on your online budget worksheet.
- Authorize your parent, spouse and anyone else you choose to access your account, sign up for a plan, or make a payment on your behalf.
- Receive notifications sent to your student email as your plan adjusts to changes in your schedule.

If you need assistance in person, visit our Bursar's windows in Kinney Hall, Room K508.

Tuition payment plans help families budget the cost of tuition and fees by spreading out the cost over a number of payments.

Benefits of the IPLAN

Fast – Enrolling in tuition payment plans is easy. Simply log into Self Service through myCommNet to enroll.

Secure – Pay online using a credit card knowing your information is secured using industry-leading security features.

Convenient – Need to know if your IPLAN has changed? Check your student email. Our payment plan system will notify you anytime your installments increase or decrease. Want to make a payment during a study break at the library? No problem. Access your online plan through a web browser anywhere, anytime. Need to give someone else access to your student account? It's a breeze. Now you can authorize someone else to enroll in the plan, receive payment reminder emails, or make payments on your behalf.

Inexpensive – Tuition payment plans are an inexpensive alternative to a student loan or paying by credit card. Enrolling in a plan costs just \$25 per semester.
