

2016-2017 Verification Worksheet for Independent Student

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, your school must confirm certain information reported on your FAFSA.

You must complete and sign this worksheet. Submit the form and other required documents to your college's Financial Aid Office. If additional information is required, it will be specified online within the Financial Aid pages of Banner Self-Service, so do check frequently for updates and any outstanding requirements.

To verify that FAFSA information is correct, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and any other required documents. If there are differences, your FAFSA information may be corrected. If you have questions, contact your college's Financial Aid Office as soon as possible to avoid delays in receiving your aid.

Verification of High School Completion Status

Instructions: Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, the Financial Aid Office at your school must confirm certain information reported on your FAFSA.

You, the student, must provide one of the following documents to verify high school completion status:

- A copy of the student's high school diploma.
- A copy of the student's final official high school transcript that shows the date when the diploma was awarded.
- A State certificate or transcript issued to a student after the student passed a State-authorized examination (GED test, HiSET, TASC, or other State-authorized examination) that the State recognized as the equivalent of a high school diploma.
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- If State law required a homeschooled student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a copy of that credential..
- If State law did not require a homeschooled student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

Note: Laws regarding high school completion vary from state-to-state. If a student moves to CT, but has one of the documents listed above issued from another state, the student should submit what documentation s/he has proving high school completion in that other state.

If you have questions, or are unable to obtain the documentation listed above, contact your college's Financial Aid Office as soon as possible.
