Career Spotlight

The Connecticut Department of Labor (CTDOL) reports the statewide average annual income for medical equipment preparers is $39,392 and the entry level hourly rate is $15.47. The current job market calls for Central Sterile Processing Technicians not just in hospitals, but also in places like surgical centers, endoscopy offices, dental offices, and even traveling opportunities for temporary assignments. Employment in this occupation is expected to grow about as fast as the average, and the number of annual openings will offer good or favorable job opportunities. The CTDOL projects an average of 12 annual job openings through 2024.

Continuing Notice of Nondiscrimination: Naugatuck Valley Community College does not discriminate on the basis of race, color, religious creed, age, sex, national origin, marital status, ancestry, disability, including but not limited to present or past history of mental disability, learning disability or physical disability, sexual orientation, gender identity or expression or genetic information in treatment or employment at the College, in admission or access to the College, or in any other aspect of its programs and activities. In addition, the College does not discriminate in employment on the additional basis of veteran status or criminal record. The College is required by Title VI of the Civil Rights Act of 1964 (Title VI), Section 504 of the Rehabilitation Act of 1973 (Section 504), Title II of the Americans with Disabilities Act of 1990 (Title II), Title IX of the Education Amendments of 1972 (Title IX), the Age Discrimination Act of 1975 (Age Act), and their respective implementing regulations at 28 C.F.R. Part 35 and 34 C.F.R. Parts 100, 104, 106 and 110, not to discriminate on the basis of race, color, or national origin (Title VI); disability (Section 504/Title II); sex (Title IX); or age (Age Act). Inquiries concerning the application of each of the aforementioned statutes and their implementing regulations to the College may be referred to the applicable College Coordinators: Kimberly Carolina, CSCU Manager of Equal Employment Opportunity, kcarolina@ccomnet.edu; Dr. John Paul Chaisson-Cardenas, VP of Diversity, Equity & Inclusion, CT State Title IX Coordinator, 860-612-7056, jchaison-cardenas@ccomnet.edu; Sarah Gager, Dean of Student Services/Deputy Title IX Coordinator, Section 504/Title II/ADA/Age Act Coordinator (Students), Naugatuck Valley Community College, Room K509a, 750 Chase Parkway, Waterbury, CT, 203-575-8086 or to the U.S. Department of Education, Office for Civil Rights, at (617) 289.0111 or 5 Post Office Square, 8th Floor, Boston, MA 02109-3921 (Rev 09/09/2022)

Supplemental Nutrition Assistance Program (SNAP) and Food Distribution Program on Indian Reservations (FDPIR)

Nondiscrimination Statement:

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), religious creed, disability, age, political beliefs, or reprisal or retaliation for prior civil rights activity. Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the agency (state or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. To file a program discrimination complaint, a Complainant should complete a Form AD 3027, USDA Program Discrimination Complaint Form which can be obtained online at: https://www.usda.gov/sites/default/files/documents/USDA-OASCR%20Complaint-Form-0308-0002-008-11-28-17Fax2Mail.pdf, from any USDA office, by calling (833) 620-1071, or by writing a letter addressed to USDA. The letter must contain the complainant’s name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD 3027 form or letter must be submitted to:

mail: Food and Nutrition Service, USDA
1320 Braddock Place, Room 334
Alexandria, VA 22314; or
fax: (833) 256-1665 or (202) 690-7442; or
email: FNSCIVILRIGHTS@usda.gov
Central Sterile Processing Technician

Naugatuck Valley Community College is pleased to offer a Central Sterile Processing Technician (CSPT) program. This entry-level health care career position prepares the student for work in a hospital, surgical center, doctors’ offices and other facility that utilizes a central sterile supply department.

Responsibilities:
The Central Sterile Processing Technician can greatly contribute to the safety of patients and the success of surgeries and procedures performed by surgeons and physicians by:

□ sterilizing and packaging tools with accuracy;
□ careful inspection of instruments;
□ maintaining the cleanliness of medical settings;
□ and assuring the appropriate inventory of supplies.

Requirements:
Students must have a high school diploma or GED to register for this course.

Medical Terminology
The Language of Health Care. This course is suggested for the Central Sterile Processing Technician. This may be taken prior or concurrently with the CSPT Program.

Here’s what our students are say about our program:

“I loved taking the Central Sterile class especially with an instructor that was so enthusiastic” - Michelle Walden

“This class was excellent! Not only was the teacher fantastic, but so were my classmates. I have learned so much in the past few weeks. -Catherine Hanley

“Course was very helpful in understanding Central Sterile. Enjoyed going on the field trip to Danbury Hospital to see hands on Experience. Very important.” - Brian Fegusen

I had a wonderful experience at NVCC. My professor, Ms. Pennell taught the course in a way that was well understood.” - Kebeh Zeze

This 83 hour program includes such topics as: anatomy and physiology; microbiology and infection control; decontamination and sterilization processing; and how to handle, care for, and identify surgical instruments.

The course includes a tour at an area hospital in the Central Sterile Processing Department.

The cost of the textbook is included in the course fee and will be distributed the first night of class.
