

April 2012

Dear Mystery Dinner Supporter,

The MYSTERY DINNER THEATER lives on as a fundraiser with a twist. You stay home, make a contribution and make a difference. By not holding the event, 100% of your donation is tax deductible and goes directly to assisting the students.

Everyone wins.

As a past supporter of this popular community event, we at Naugatuck Valley Community College realize that your commitment to an educated and skilled workforce remains strong. We are grateful for your continued support of our long-standing event that funds scholarships and tutoring so that our students may remain in college and achieve their academic goals.

We are inviting you NOT to attend our MYSTERY DINNER THEATER, but to reply in support of scholarships and tutoring by Saturday, May 5th 2012.

Instead, order dinner in, enjoy a relaxing evening at home,

no dressing up,

no rushing out the door,

no fighting with your spouse,

no speeches,

no silent auction announcements.

In addition, you will have the satisfaction of knowing that you have made a real difference in training our future workforce.

This year we will instead focus our energies on continuing to build our partnerships and look forward to bringing our dinner theater back next year with a surprising new twist.

Please select from the “menu” on the back page to continue your support of scholarships and tutoring for our students.

We look forward to your response!!
