

Year End Review  
Student Affairs Committee  
2015-2016

This year began smoothly. We had pretty high attendance and participation throughout the year. All fully participated and devoted quality time to the projects at hand. Being an odd-numbered year, election of the Chair was held and everyone unanimously voted to have me chair the committee for 2015-2017.

In addition to putting forward commencement and invocation speakers for the 2016 Commencement Ceremony, we discussed the revision of by-laws of the CAS system and the revision of membership to SAC in particular. Committee members contributed and reviewed the multiple drafts of the by-laws presented and unanimously concurred with the final draft.

At the end of March the committee reviewed and ranked around 27 applicants for the President to President Scholarships offered by Central, Western, Eastern, Southern, UConn Waterbury, Hartford University, and Charter Oak. The top choices of the committee for all the schools were then sent to the President's Office for her review. I have also forwarded Dan Wallace all the information for SAC including meeting times, its by-laws and current members for him to post to the SAC site on our school website.

Goals 2016/17

1. Continue our work with collecting names for commencement and putting them forward to the President's office.
2. Continue our work with reviewing and ranking President to President scholarship applicants.
3. Continue to address any student needs that come up throughout the year.
5. Put minutes and year reviews of SAC on the Web.
6. Election of members to SAC (1/2 of the members to complete a 2 year term—to be held every year alternating between ½ of the members to ensure continuity)

It has been a pleasure to serve as SAC chair and I would like to thank the committee members for their hard work and support. I look forward to serving as chair for the following year.

Respectfully Submitted,

Eleni Saltourides, Chair

Student Affairs Committee
