It is the student’s responsibility to remove themselves from registered courses if they do not intend to attend the course(s). NVCC reserves the right to cancel unpaid registration, but the student should not assume this will occur.

Making changes to course registrations is easily done either:

- online by going to nv.edu. Log in to your myCommnet account, click on “Banner Student & Faculty Self-Service,” and then click “Registration/Schedule.”

- in person at the Waterbury campus: Registrar’s Office, K516 or at the Danbury Campus Administration Office.

Note: Email requests to remove yourself from registered courses will not be processed.

Acceptable arrangements in lieu of full payment must be student-initiated. These include:

- A fully-authorized financial aid award
- The first payment on a payment plan (see more on payment plan below)
- A letter from a third-party provider for an unconditional guarantee of payment
- An applicable Tuition/Fee Waiver Form

Books and supplies are additional costs that must be paid for at the time of purchase.

Refund Policy for Fall Semester and Late Start Courses

Before registering for classes, students should read the refund policy established by the Board of Regents for Higher Education at nv.edu/refund.

Traditional Fall/Spring Semester Courses:

- Students who drop courses prior to the term or up until the 7th day of the term having elapsed (i.e. 10% of the term) will be entitled to a 100% refund of tuition and fees.
- Students who drop subsequently to the 7th day of the term but prior to the 21st day of the term having elapsed will be entitled to a 100% refund of tuition and fees less a “late drop” fee assessed at $50 per dropped course.
- Students who withdraw subsequently to the 21st day of the term having elapsed will be charged 100% of all tuition and fees.

Courses Offered in Abbreviated Terms (e.g. summer, winter, late start courses, etc.):

- Students who drop courses prior to the abbreviated term and up until 10% of the abbreviated term having elapsed will be entitled to a 100% refund of tuition and fees.
- Students who drop subsequently to 10% of the abbreviated term having elapsed but prior to 20% of the abbreviated term having elapsed will be entitled to a 100% refund of tuition and fees less a “late drop” fee assessed at $50 per dropped course.
- Students who withdraw subsequently to 20% of the abbreviated term having elapsed will be charged 100% of all tuition and fees. Dates representing the 10% - 20% points of the respective abbreviated terms will vary according to each session/part of term in which the student is registered. Please see the Registrar or Bursar’s office for the exact dates on which the “late drop” fee will be assessed.

Withdrawal Policy

Traditional Fall/Spring Semester Courses:

No course withdrawals will be accepted once 80% of the semester has passed. For a typical 15-week term, 80% of the term is considered the last day of the twelfth week of the term. A student may appeal the course withdrawal deadline due to mitigating circumstances.

Courses Offered in Abbreviated Terms (e.g. summer, winter, late start courses, etc.):

No course withdrawals will be accepted once 80% of the abbreviated term has passed. For abbreviated terms, 80% is considered the last day of the business week of that period. A student may appeal the course withdrawal deadline due to mitigating circumstances.

Note: Financial aid students who withdraw from summer courses subsequently to 20% of the abbreviated term having elapsed but prior to the summer financial aid census date may be charged 100% of tuition and fees for those courses with no corresponding/offsetting summer financial aid disbursement.

Adding & Dropping Courses:

Full-Term Courses (15 weeks):

Students may drop courses through the end of business day of the 21st calendar day of the term. Courses dropped during this period would not appear on a transcript. Courses can only be added up to calendar day seven of a full, 15-week term.

Abbreviated Term Courses:

Students may drop courses through the first 20% of an abbreviated term length. Courses dropped during this period would not appear on a transcript. Courses can only be added up to the first 10% of the abbreviated term length.

Non-Participation (Academic Engagement):

The community colleges are required to verify the academic engagement of each student in each registered course by demonstrating “academic attendance” or an “academically-related activity” for Title IV purposes. This must be completed prior to the predetermined census date of each traditional semester, as well as during periods of enrollment shorter than the traditional 15-week semester (i.e., summer terms and other abbreviated terms).

Students who are determined to have not academically engaged in a period of enrollment leading up to census shall be assigned a registration status of “Never Participated (NP)” for each affected course. Students with the NP designation will be dropped from the course(s) they have not participated in and will be assessed a Late Drop Fee of $50 for each affected course as outlined in BOR policy 3.7.

**Hours:** Please call 203-575-8158 or visit the CJPCO calendar at [nv.edu/cjpcdo](http://nv.edu/cjpcdo) for additional information about Danbury hours.

The CJPCO is a multi-faceted career services department and offers online resources to help you in assessing your skills and planning your career, preparing for your job search, searching for a job and more. Additionally, one of the major components of the CJPCO is that we offer programming certified to provide education and training to adults and dislocated workers who have been awarded vouchers under WIOA.

For students interested in transferring to a competitive 4-year institution, the CJPCO offers advising for need blind admission, a college admission policy in which the admitting institution does not consider an applicant's financial situation when deciding admission.

Disability Services

Students who may require academic accommodations on the basis of a disability are encouraged to contact Terry Latella, the Counselor for Students with Disabilities, located in Kinney Hall, KS19B (203-596-8608). After submitting documentation validating a disability, students will be required to schedule an appointment to complete the disabilities disclosure process. Services are available at both campuses. For more information visit bit.ly/NVCCDisabilityServices.

Reactivate

Students who have applied within the past two years, but never attended classes at NVCC, do not need to complete a new application for admission. Just stop by Room K500 or email nvcc@nv.edu and we can reactivate your old application file. If you applied more than two years ago, you must complete a new application and resubmit all admissions documents. See Page 3.

Transfer Students

If you have attended another college or university and have not previously attended NVCC, please follow the procedures for new students. Transfer students are encouraged to attend a New Student Registration session and may register online if in good academic standing. If you are interested in receiving transfer credit for course work completed at another institution, submit official college transcripts to the Admissions Office. See Page 6 or visit the "Admissions links" section of our website at nv.edu/acceptedstudents.

Readmitted Students

Credit students who have not attended NVCC since the Fall of 2019 will need readmission to the College prior to registration. Readmit students are subject to the curriculum requirements in existence at the time of readmission. A readmission form must be submitted to the Registrar prior to, or at the time of registration. Download this form at nv.edu/register and scroll to "Helpful Forms and Documents," or visit the Registrar located in Room KS16. Students who have not been in attendance for more than five years must resubmit proof of high school graduation to maintain degree-seeking status. Readmit students must see an academic advisor in order to register. See Page 6.

Senior Citizens (August 26 - September 1)

Senior citizens may register and have their General Fund Tuition, College Services and Student Activity Fees waived. These costs, along with the application fee, are completely waived for Connecticut residents at least 62 years of age on a space-available basis. Students are responsible for supplemental and material fees that are associated with specific courses. See Page 9. You must fill out the College Application if you have never been a credit student at NVCC. See Page 3. Non-credit courses are not eligible for senior citizen waiver.

Distance Learning Courses

Distance learning courses are fully or partially (hybrid) online courses designed for highly motivated students who are looking to add flexibility to their busy schedules. Basic computer literacy and high-speed access to the Internet are required. Our courses follow the standard academic calendar of the College (unless otherwise indicated), are generally not self-paced and may include face-to-face class meetings. NVCC online math courses require campus meetings for exams. For more information, please contact the Department of Mathematics at 203-575-8063.

Hybrid Courses

Hybrid sections are defined as courses whose contact hours are split between online and on-ground (in a classroom). The first session for these classes will meet on campus. Sections with a "C" in the title indicate that the on-ground portion utilizes computer technology.
