Apply for Financial Aid

Summer Semester:
If you are Pell-eligible during the fall and spring semesters, please check with the Financial Aid Office regarding summer Pell eligibility. Summer sessions do not operate in the same manner as fall and spring semesters. Failure to complete all summer courses may result in the loss of a Pell grant. If you are repeating a course, please check with the Financial Aid Office to determine if the course will be covered by the Pell grant. Students are responsible for all charges incurred regardless of aid eligibility.

Fall and Spring Semesters:
Don’t miss out on financial aid opportunities for fall and spring semesters. Follow the steps below and apply early.

- Go to https://fsaid.ed.gov and obtain an FSA ID. The FAFSA application is at www.studentaid.gov
- Enter the school code for NVCC: 006982 on your application.
- Check your application status by logging onto myCommNet at my.commnet.edu. You can check if there is missing documentation, or view your award package, if eligible.
- If selected, you’ll receive an email from the Verification Gateway. Log in at the URL provided in the email, and get started with Inceptia. If you get stuck, call – Verification Gateway Customer Service at 888-374-VGCS (8427).

For more information go to nv.edu/FinancialAid.

Basic Eligibility Criteria

- Be enrolled (matriculated) in a degree or qualified certificate program.
- Have registered with Selective Service between the ages of 18–26, if you are a male.
- Submit your application no later than May 17, 2022. You must allow two weeks from the completion of your application for an eligibility determination by the Financial Aid Office.
- Non-credit Workforce Development courses do not qualify for federal financial aid.

For New Students
Apply now for financial aid. You can start the financial aid process before you even apply to the College. It’s never too early to apply. Financial aid eligibility will be determined upon acceptance to NVCC.

For Continuing Students
- Be in good academic standing and maintain satisfactory progress according to federal regulations and the Connecticut Community College’s Satisfactory Program Policy. This requires that students must complete 66.6% of the classes attempted and maintain a 2.00 GPA. The policy is available at nv.edu/SAP.
- Students may not receive financial aid for any attempted credits that exceed 150% of their published program. For example, for a 60-credit degree program, students become ineligible when they have attempted 90 credits.

Important Information About Financial Aid:
- Students who withdraw from classes must be aware that their financial aid may be affected. Please consult with the Financial Aid Office before withdrawing.
- Financial aid does not cover non-credit courses.
- Students do not have to be full-time in order to receive aid. Please check with the Financial Aid Office first to see if you qualify.

Book Purchases
Students who are financial aid recipients may be eligible to receive a book voucher during fall and spring semesters. Vouchers are not valid during summer and winter sessions. Eligibility is based on the amount of financial aid awarded. Students awarded a book voucher may use it for the purchase of books at the George D. Yonan Memorial Bookstore. See page 10 for store hours.

Payment of Tuition and Fees

A payment is required at the time of registration. Registrations without payment or acceptable arrangements are subject to cancellation. Students are responsible for the applicable charges should they fail to formally drop the class(es) from their schedule or withdraw from the College. Students are responsible for the status of their accounts with the College. Such accounts can be viewed online at any time.

Payment of Tuition and Fees - Key Dates

Full payment is due at the time of registration or a payment plan needs to be in place. Summer payment plans are available online or in person at the Bursars Office, beginning March 31, 2022. Classes begin on June 6, 2022.

Important Information

The Bursar’s Office can be reached at (203) 575-8055 or (203) 575-8164.

It is the student’s responsibility to remove themselves from registered courses if they do not intend to attend the course(s). Failure to do so does not release the student from the financial obligations and may negatively impact your academic progress. NVCC reserves the right to cancel unpaid registration, but the student should not assume this will occur.

Making changes to course registrations is easily done either:

- online at my.commnet.edu. Log in to your myCommnet account, click on “Banner Student & Faculty Self-Service,” and then click “Registration/Schedule.”

- in person at the Waterbury campus: Registrar’s Office, K516 or at the Danbury campus: Administration Office.

Note: Email requests to remove yourself from registered courses will not be processed.

Acceptable arrangements in lieu of full payment must be student-initiated. These include:

- A fully-authorized financial aid award
- The first payment on a payment plan (see more on payment plan below)
- A letter from a third-party provider for an unconditional guarantee of payment
- An applicable Tuition/Fee Waiver Form

Books and supplies are additional costs that must be paid for at the time of purchase.

The refund of tuition policy can be found at nv.edu/refund. For refunds for non-credit program offerings, go to nv.edu/nc or call (203) 575-8029.

Installment Payment Plan - In person or online

NVCC offers payment plans to students enrolling in three credits or more. Students can defer the payment of tuition beyond normal dates, for a fee of $25 each semester. To enroll in person, visit the Bursar’s Office, Room K508, in Kinney Hall. To enroll online, log in to your myCommNet account, click on “Faculty and Student Banner Self-Service,” and then click “Billing/Payment.”

Payment plans will be available online approximately March 31. Log into your myCommNet account and follow the instructions.

How to Pay

- Pay online. Log in to your myCommNet account and click on “Banner Student & Faculty Self-Service.” Then click “Billing/Payment” to access your account.
- Pay in person. Go to the Bursar’s Office, K506. Cash, check, and all major credit cards accepted.
- Pay by phone: Call the Bursar’s Office at (203) 575-8055.

Bus passes will be available June 1, 2022.
Refund Policy for Semester and Late Start Courses

Before registering for classes, students should read the refund policy established by the Board of Regents for Higher Education at nv.edu/refund.

Traditional Fall/Spring Semester Courses:

• Students who drop courses prior to the term or up until the 7th day of the term having elapsed (i.e. 10% of the term) will be entitled to a 100% refund of tuition and fees.

• Students who drop subsequently to the 7th day of the term but prior to the 21st day of the term having elapsed will be entitled to a 100% refund of tuition and fees less a “late drop” fee assessed at $50 per dropped course.

• Students who withdraw subsequently to the 21st day of the term having elapsed will be charged 100% of all tuition and fees.

Courses Offered in Abbreviated Terms (e.g. summer, winter, late start courses, etc.):

• Students who drop courses prior to the abbreviated term and up until 10% of the abbreviated term having elapsed will be entitled to a 100% refund of tuition and fees.

• Students who drop subsequently to 10% of the abbreviated term having elapsed but prior to 20% of the abbreviated term having elapsed will be entitled to a 100% refund of tuition and fees less a “late drop” fee assessed at $50 per dropped course.

• Students who withdraw subsequently to 20% of the abbreviated term having elapsed will be charged 100% of all tuition and fees.

Withdrawal Policy

Traditional Fall/Spring Semester Courses:

No course withdrawals will be accepted once 80% of the semester has passed. For a typical 15-week term, 80% of the term is considered the last day of the twelfth week of the term. A student may appeal the course withdrawal deadline due to mitigating circumstances.

Courses Offered in Abbreviated Terms (e.g. summer, winter, late start courses, etc.):

No course withdrawals will be accepted once 80% of the abbreviated term has passed. For abbreviated terms, 80% is considered the last day of the business week of that period. A student may appeal the course withdrawal deadline due to mitigating circumstances.

Note: Financial aid students who withdraw from summer courses subsequently to 20% of the abbreviated term having elapsed but prior to the summer financial aid census date may be charged 100% of tuition and fees for those courses with no corresponding/offsetting summer financial aid disbursement.

Adding & Dropping Courses:

Full-Term Courses (15 weeks):

Students may drop courses through the end of business day of the 21st calendar day of the term. Courses dropped during this period would not appear on a transcript. Courses can only be added up to calendar day seven of a full, 15-week term.

Abbreviated Term Courses:

Students may drop courses through the first 20% of an abbreviated term length. Courses dropped during this period would not appear on a transcript. Courses can only be added up to the first 10% of the abbreviated term length.

Non-Participation (Academic Engagement):

The community colleges are required to verify the academic engagement of each student in each registered course by demonstrating “academic attendance” or an “academically-related activity.” This must be completed prior to the predetermined census date of each traditional semester, as well as during periods of enrollment shorter than the traditional 15-week semester (i.e., summer terms and other abbreviated terms).

Students who are determined to have not academically engaged in a period of enrollment leading up to census shall be assigned a registration status of “Never Participated (NP)” for each affected course. Students with the NP designation will be dropped from the course(s) they have not participated in and will be assessed a Late Drop Fee of $50 for each affected course as outlined in BOR policy 3.7.

| **ONLN**     | Online Class |
| Definition:  | Course instruction is fully online via Blackboard and/or designated website(s). Courses listed ONLN will not have designated class meeting time (asynchronous); all instruction and assessments are online. Your instructor will guide you and have due dates for assignments, exams, discussion boards, and/or other learning assessments. |
| Technology:  | Students need a reliable computer with internet connection. |
| Note:        | Due to social distancing, this type of delivery may be preferred. |

| **OLCR**     | Online with Campus Requirement |
| Definition:  | This is an online course with no designated class meeting time (asynchronous); all instruction is online. HOWEVER, you will be required to come to campus or participate in a learning assessment (such as an exam) at one or more specifically scheduled days and times listed in the course description (for example, for an orientation). Check the required days/dates carefully by clicking on the CRN number of the course, and ask your instructor if you have any questions. |
| Technology:  | Students need a reliable computer with internet connection. |
| Note:        | This course method is for courses that have required learning assessments (such as exams) at a specifically scheduled day and time. Students will be required to attend scheduled class periods for such assessments on campus. Due to social distancing requirements delivery of this instructional method may be limited. Class size will also be limited based on social distancing requirements. May have to be moved fully online or LRON should another quarantine be required. |

| **LRON**     | Live/Remote Online Component |
| Definition:  | Class will meet virtually (online) on scheduled days and times (synchronous) where you will have the ability to interact with your instructor and other classmates as though you were in a traditional, on-ground course. Live lectures or lab sessions are held at specifically scheduled days and times, which you can find listed in the course description by clicking on the CRN number of the course. Check the required days/dates carefully and ask your instructor if you have any questions. |
| Technology:  | Students need a reliable computer with internet connection. |

You will meet virtually at the time specified on your course schedule. |

| **HYBR**     | Online and Classroom |
| Definition:  | This class will be a combination of one of the online delivery methods listed above (ONLN, OLCR, or LRON) and traditional, on-ground learning in a classroom, laboratory, computer lab, or on a shop floor. Check the days/dates carefully and ask your instructor if you have any questions. |
| Technology:  | Students need a reliable computer with internet connection. |
| Note:        | This course method is for courses that have required hands-on components that cannot be accomplished online, for example: labs, manufacturing, technology, or digital arts courses. Students will be required to attend scheduled class sessions on campus. Due to social distancing requirements delivery of this instructional method may be limited. Class size will also be limited based on social distancing requirements. May need to be converted to fully ONLN or LRON should another quarantine be required. |

| **CLIN**     | Clinical |
| Definition:  | These courses are clinical experience courses which are held off-site, on campus in clinical labs, or as a virtually guided experience. |

Add/Drop Schedule
The Add/Drop schedule can be found at nv.edu/calendar. Questions? Send an email to the Office of the Registrar at records@nv.edu or call 203-596-2177.

Course Overloads
Course overloads will not be granted. However, in extenuating circumstances, division leaders may authorize overloads to courses that have reached their limit (closed) with the approval of the Dean of Academic Affairs.

Auditing Courses
Students not wishing to earn course credit may audit a course by completing an audit request form at the time of registration in the Office of the Registrar, Room K516. This status will allow them to participate in class activities without being required to meet the examination requirements of the course. A student wishing to change from credit to audit status must complete an audit request form within the first four weeks of the semester. Full tuition and fees are charged for courses audited. Students auditing a course may not change to credit status. Last day to switch to audit status:

General Session: Monday, June 27th
Special Session 1: Monday, June 20th
Special Session II: Monday, July 25th

Withdrawals:
For specific dates, please visit nv.edu/calendar.

Students who wish to withdraw from a course(s) should contact their instructor(s). To officially withdraw from your class you must do one of the following:

• online at my.commnet.edu (access permitting)
• in-person by completing a withdrawal form at the Registrar’s Office in Room K516
• by fax (203-575-8085)
• by mail
• e-mail scanned request with scanned signature
• No telephone calls will be accepted for withdrawals

Visit nv.edu/calendar for withdrawal deadlines.

A student may not obtain a transcript notation of "W" in a course if there exists substantial reason to believe the student has engaged in academic misconduct in the course. A transcript notation of "W" will only be permitted for such students when the final resolution results in finding the student did not commit academic misconduct in the course.

Important Withdrawal Dates for Summer 2022
Students who wish to withdraw must adhere to the appropriate withdrawal date for their course(s) found at nv.edu/calendar.

Graduation (There is no fee to submit a graduation application.)
All students who anticipate completing the requirements for an associate degree and/or a certificate must apply to graduate, even if not attending the ceremony.

• December 1 for January 1 conferral
• March 15 for May conferral (ceremony for all 3 conferrals)
• July 1 for August 15 conferral

Students who do not complete requirements can request reevaluation for the next conferral date/year. Graduation applications can be completed online at nv.edu/gradapp.

Policy Changes
Naugatuck Valley Community College reserves the right to change requirements, courses, prerequisites, regulations, tuition, fees, and other policies without prior notice. Waivers of these policies, due to extenuating circumstances, may be made by the CEO of the College upon written request.

Enrollment Verification Request
The National Student Clearinghouse processes all student enrollment verifications. Using the current online system, students can log on with their 8-digit NetID and PIN, and follow the prompts. Students will be connecting directly to the National Student Clearinghouse, enabling them to print out their own enrollment verification certificates. Verifications for the Summer 2022 semester will be accessible approximately the week of June 23.

Grade Reports
Semester grades will be available at my.commnet.edu approximately one week after the exam period.

Transcript Requests
There is no charge for official transcripts. Official and unofficial transcripts are available at my.commnet.edu via the online student information system, where our Parchment transcript service is available for most students. In the event the Parchment service is not available, a transcript request form can be obtained by contacting the Registrar either by phone at 203-596-2177 or by email at records@nv.edu.
Disability Services
Students who may require academic accommodations on the basis of a disability are encouraged to contact Terry Latella, the Counselor for Students with Disabilities, located in Kinney Hall, K519B (203-596-8608). After submitting documentation validating a disability, students will be required to schedule an appointment to complete the disabilities disclosure process. Services are available at both campuses. For more information visit nv.edu/DisabilityServices

Reactivate
Students who have applied within the past two years, but never attended classes at NVCC, do not need to complete a new application for admission. Just stop by Room K500 or email nvcc@nv.edu and we can reactivate your old application file. If you applied more than two years ago, you must complete a new application and resubmit all admissions documents. See Page 3.

Transfer Students
If you have attended another college or university and have not previously attended NVCC, please follow the procedures for new students. Transfer students are encouraged to meet with an advisor and may register online if in good academic standing. If you are interested in receiving transfer credit for course work completed at another institution, submit official college transcripts to the Admissions Office. See Page 5 or visit the “Admissions links” section of our website at nv.edu/acceptedstudents.

Readmitted Students
If you’ve attended NVCC in the past, you will need to reapply to the college as a Readmit Student. Please visit nv.edu/apply and choose “Returning Student”.

Senior Citizens
Senior citizens may register and have their General Fund Tuition, College Services and Student Activity Fees waived. These costs, along with the application fee, are completely waived for Connecticut residents at least 62 years of age on a space-available basis. Students are responsible for supplemental and material fees that are associated with specific courses. See Page 8. You must fill out the College Application if you have never been a credit student at NVCC. See Page 3. Non-credit courses are not eligible for senior citizen waiver. Registration for students using the senior citizen waiver begins on the first day of the session in which the course is scheduled. Please refer to the course schedule for the official course start date.

Distance Learning Courses
Distance learning is offered via fully or partially online courses designed for highly motivated students who prefer a virtual environment or are looking to add flexibility to their busy schedules. A reliable computer, basic computer literacy, and high-speed access to the internet are required to properly engage and be successful in distance learning courses. Courses follow the standard academic calendar of the College (unless otherwise indicated), may or may not be self-paced, and may or may not include face-to-face class meetings. To better understand the differences in the instructional methods of distance learning courses, please visit nv.edu/instructionalmethods. Some NVCC online math courses require on-campus meetings for exams (please read the description for OLCR courses in the aforementioned link). For more information, please contact the Department of Mathematics at 203-575-8063.

Before You Start
Students who are interested in or have enrolled in their first distance learning courses are strongly advised to visit the Connecticut Community College Student Support site at https://cscu.edusupportcenter.com to get information regarding online learning. This site includes instructions for logging on to your course(s) on Blackboard Learn (our learning management system), technical requirements needed for your computer, and other important information and resources.
