

# Which Science Course Should I Take????

**That depends on your goal(s)!!!**

## **I want to go into Allied Health/Nursing:**

**(These courses meet the pre-requisite for 200 level courses such as Anatomy and Physiology or**

**Microbiology):**

- **Intro to Bio (BIO 105)**
- **Human Biology (BIO115)**
- **General Bio I (BIO121)**
- **General Botany (BIO155) - Micro pre-req only**

## **I want to pursue a 4-year degree in Science:**

**(Check with 4-year institution regarding which courses they will accept in their programs):**

- **General Bio I (BIO121) / General Zoology (BIO 145)**
- **General Bio II (BIO122) / General Botany (BIO 155)**
- **General Chemistry I (CHE 121) - MAT 137 Pre-req**
- **General Chemistry II (CHE 122) - CHE 121 Pre-req**
  - **General Physics I (PHY 121) - MAT 137 Pre-req**
  - **General Physics II (PHY 122) - PHY 121 Pre-req**

## **I need to fulfill a laboratory science requirement:**

- **Intro to Bio (BIO 105)**
- **Human Biology (BIO115)**
- **General Bio I (BIO121)**
- **General Bio II (BIO122)**
- **General Zoology (BIO 145)**
- **General Botany (BIO 155)**
- **Field Biology (BIO171)**
- **Environmental Science (BIO181)**
- **Intro to Biotechnology (BIO 225)**
- **Intro to Physical Geology (GLG 121)**
- **Intro to Astronomy (AST 101) - MAT 095 Pre-req**
- **Concepts of Chemistry (CHE 111) - MAT 137 Pre-req**
- **General Chemistry I (CHE 121) - MAT 137 Pre-req**
  - **Intro to Physics (PHY 110) - MAT 095 Pre-req**
  - **General Physics I (PHY 121) - MAT 137 Pre-req**

## **I need to fulfill a non-lab science requirement:**

- **Principles of Astronomy (AST 101) - MAT 095 Pre-req**
  - **Principles of the Human Body (BIO110)**
  - **Principles of Environmental Science (BIO 180)**
